Dear Parent

Greetings for the ensuing festive season.

We are immensely delighted and proud to share with you that based on the survey of above 2000 schools all over India conducted by the magazine 'Career 360' in association with the reputed 'Living Media India Ltd.', Sachdeva Public School, Rohini has been awarded the rating of 'AAAA+' for its outstanding educational performance and experience.

To be a part of this exclusive group is just the beginning of our glorious journey. 'Education World' conducted a nationwide survey of around 1000 schools and our school scored 116 position at the All India Ranking, 67 position at the State Ranking and 52 position in Delhi.

It is indeed great milestone for dream that was initiated 23 years ago with a vision for cognitive excellence. Undoubtedly the credit goes to the concerted efforts of the teaching faculty and the parents fraternity duly encouraged and motivated by the school Managing Committee.

A heartiest thanks to everyone for their support in all our endeavours.

March ye forth to realms of success
