NCERT AND UNESCO GUIDELINES ON SAFE ONLINE LEARNING

Wednesday, 24 February, 2021

Dear Parent

In the days of COVID-19 students are mainly dependent on online mode for gaining knowledge be it attending classes, exams etc. The use of internet needs to be monitored to ensure safety and protection of children from online threats.

NCERT and UNESCO have jointly developed guidelines on “SAFE ONLINE LEARNING IN TIMES OF COVID-19” for sensitization of students and parents.

The same can be accessed through the below given link:
